FLORA GROUP

Founded in 1993, Flora Group has grown to become a group of leading Qatari specialized trading and service companies that offer a large and diversified portfolio of products and end-to-end custom solutions to its customers in Qatar and the middle-east region. Since its creation, the group focused on offering top quality products and services that have made its reputation and ensured customer satisfaction and group success for more than 24 years. We strive to preserve a high level of business ethics characterized by integrity and honesty in all our business actions and throughout all our companies.

Flora Group's business domains span a range of 9 core Industries:

- Technology and services
- Security solutions
- Retail solutions
- Food and vegetables trading
- Flowers and flower products
- Construction
- Office furniture
- Medical equipment
- Decor and Lighting

Apart from its core industries, Flora Group also monitors opportunities in different sectors, where it has a potential to create value with its unique know-how and experience. For more than 24 years we have built a strong and loyal client base across both the public and private sectors and we will continue to innovate and expand for the continuous satisfaction of our existing and future clients.
